

Newtown's 23rd Annual HEALTH & PUBLIC SAFETY FAIR

Saturday – September 17, 2016

9:00 A.M to 1:00 P.M.

Reed Intermediate School

FREE FAIR for Everyone!!

This year's HUGE attraction: The MEGA Body

A larger-than-life, walk-through model of the entire human body
- a wonderful way to experience the inner workings of various systems of their bodies.
With an emphasis on healthy living, observers will learn that the choices they make
at an early age can have a huge effect on their well-being—today and in the future.

More than 50 Exhibitors
